***Adjunct Faculty can be paid to participate in our INST600 series!**

Please note that adjunct faculty who successfully complete any of the following faculty development courses and also complete the course evaluation will be compensated \$50:

INST 601 Instructional Practices

INST 602 Feedback to Enhance Student Learning

INST 603 Engaging Students Through Technology and Active Learning

INST 604 International Teaching Strategies

In addition, for completing a 60-day follow-up evaluation, participants will receive a digital badge to add to their social media profile.

Please note: Only active Franklin and Urbana adjunct faculty are eligible to receive compensation. Adjunct faculty who are onboarding but who have not started teaching are not eligible to receive compensation until after beginning their first teaching assignment.
